

NOTICE

Ref. No.: CIT/KOK/CW/Misc. Works (Pt-I)/552/2025/ 2.899

Date: 12-09-2025

Subject: *Removal of Debris and Construction Materials from the CIT KOKRAJHAR Campus.*

It has been observed that a considerable quantity of debris and construction-related materials such as river sand, bricks, steel rods, bamboos, shuttering, concrete mixture machines, and similar items are lying scattered within the campus of CIT Kokrajhar, particularly along the internal roads.

These materials are causing obstruction to regular vehicular traffic as well as inconvenience to pedestrians. In addition, the dumps are blocking roadside drains, impeding rainwater runoff, and resulting in waterlogging during the rainy season.

Therefore, all concerned persons, including contractors and agencies engaged in works within the campus, are hereby instructed to:

1. Identify their respective materials lying within the campus.
2. Take appropriate action to remove and clear the same **within 07 (seven) days** from the date of publication of this notice.

Failure to comply within the stipulated period will be treated as abandonment of materials. The Institute shall thereafter dispose of such items without any further correspondence, and no claims in this regard shall be entertained.

This notice is issued for strict compliance.

Registrar(i/c),
CIT Kokrajhar.
